## Hurricane Isaias Recovery Update August 4, 2020 - 0800

### Current Known Impacts:

- Power outages widespread
  - JOEMC – Approximately 6,566 local outages
  - Duke Energy – Approximately 663 local outages
  - Lift stations lost power throughout town, some areas will be without sewer
- Trees and debris scattered all over, some maybe blocking roads
- Road signs damaged or missing
- Structure fire at Surf Condos – 5 people displaced, 0 injuries
- Some residential structure damages visible

### Town Crews Working On:

- Removing trees and debris in the roadways
- Removing sand from the roadways
- Assessments of Town buildings
- Assessments of Public Beach Accesses
- Beach assessments
- Water and sewer infrastructure assessments

### Closures:

- Public Beach Accesses Closed Until Assessments Completed
- Parks Remain Closed Until Assessments Completed

### Trash Pick-up:

- For south end Monday pick-up, Town staff went out to secure trashcans left out and had to roll-up the ones on the south end due to the small window of opportunity. This resulted in some of the trashcans on the south end not getting emptied. If you had Monday island pick-up, please put these trashcans out on Wednesday for pick-up. We apologize for the inconvenience, as we were trying to keep trash from being blown during the storm.
- The trash schedule for Tuesday will be postponed to Wednesday, which means the north end of the island and mainland will be picked up Wednesday.

### Other Information:

- Curfew lifted at 7am Tuesday, August 4, 2020
- Town staff will be working throughout the day, please be patient and stay tuned for updates. We will be posting pictures and the next scheduled update will come out at 12pm.
